 一九九五年

三千年前，泰伯奔吴的壮举孕育了源远流长的吴地文化；
 百余年前，唐氏故里严家桥发源了中国最初的民族工业；
 七十年前，春雷造船厂的开创诞生了中国最早的乡镇企业；
 二十多年前，勤劳智慧的人民创造了中国最强的县域经济，蝉联三届“华夏第一县”称号！

顾恺之、李绅、倪云林、顾宪成、华蘅芳、钱伟长、钱穆、王莘、华彦钧、华君武、姚桐斌……他们灿若星辰，点亮社会的文明之光。

这里的人们唱着吴歌从远古走来，动人的传说口口相传、代代相承；这里是锡剧之源：锡剧史上第一个剧作家——严廷初、锡剧进上海第一人——袁仁仪、锡剧史上最早的滩簧女艺人——青宝姑娘均出自严家桥。

吴歌、锡剧均入选国家非物质文化遗产。

3000年文明积淀赋与锡山灿烂的文化，不负韶华、逐梦奋进，为锡山高质量发展添彩助力！

About 3000 years ago, Prince Taibo came to the local area and initiated the long-lasting Wu culture. About a century ago, the earliest national industry was given birth at Yanjiaqiao, hometown of the Tang's family.

About 70 years ago, the founding of Chunlei Shipyard announced the birth of the earliest township enterprise in China.

Over 2 decades ago, the local diligent people created China's strongest county-level economy and won themselves the title of China's No. 1 County.

Gu Kaizhi, Li Shen, Ni Yunlin, Gu Xiancheng, Hua Hengfang, Qian Weichang, Qian Mu, Wang Shen, Hua Yanjun, Hua Junwu, Yao Tongbin... All these names are shining like stars. They have lit the light of civilization.

The native people are singing the Wu folk songs as they step into the modern times, carrying down moving stories. This is where Wuxi Opera started. Yan Tingchu, the first playwright in the history of Wuxi Opera, Yuan Renyi, the first Wuxi Opera player singing in Shanghai and Girl Qingbao, the earliest female player of Wuxi Opera are all from Yanjiaqiao.

Wu Folk Song and Wuxi Opera are both selected into the national non-material cultural heritages.

With the rich heritages and the splendid culture from a 3000-year history, the people of Xishan won't fail their beliefs and will try hard to fulfil their dreams so as to help the quality development of their hometown.
